Career Objective

As a Computer Science Engineering graduate, I am eager to start my career in software development. I aim to apply my skills in programming, problem-solving, and web development to contribute to the success of the organization. I am excited to learn and grow professionally while taking on new challenges in the tech industry.

Education

Bachelor of Engineering in Computer Science

PET Engineering College.

- Overall CGPA : 8.58

Tirunelveli

2020 – 2024
